

IT'S SHOWTIME!!!!

Here's the Scoop...

All instructional and tumbling class students are welcome to participate in the annual Showtime event. Gymnastics is all about learning specific skills and then putting them together to form a routine as part of our curriculum. All students learn a routine on each event in the spring. Students demonstrate their routines in our Showtime event at the end of the year. Showtime is open to all class students.

The Show From Start to Finish

Each child who signs up to be in the show is placed into a squad for their age and ability. When the gymnast arrives for the show, they proceed to the Gymnast Check-In for a squad number and are then escorted to have their complementary photo taken and are also escorted to their assigned squad for warm-up. *(Parents are directed to the seating area closest to their gymnast's squad.*

Opening Ceremonies

The show begins with the National Anthem and a brief description of what to expect.

The Show

During the show, the gymnast performs routines with his/her squad on each circuit. The spectators are free to move about the gym for a closer view and to enjoy taking photos, clapping and cheering.

Awards

At the end of the show, each participant receives a trophy and a recital bouquet on a podium in Olympic Style. Upon leaving the show, families stop by the photo table to pick-up their complementary photo keychain packet. *(Additional key chains with photos or 4x6 photos can be purchased by phone, e-mail or at the office and are available through August.)* The show is approximately an hour from start to finish.
